

Preparing a good tea is an art

La Via del tè uses only mineral water with low dry residue; the water temperature and the time of infusion vary according to the type of tea. Every tea is prepared with care and tasted before serving. To avoid over-steeping, the leaves are removed so that the flavour and aroma of the tea remain consistent.

The staff will be glad to assist and advise you in the choice of tea.

TEA TIME

Tasting menus inspired by different tea traditions around the world. Discover the Art of Tea Making.

*"The Way of Tea is nought but this:
first you boil water, then you
make the tea and drink it. "*

Sen no Rikyu
