

PREPARARE UN TÈ DI QUALITÀ È UN'ARTE

La Via del Tè utilizza solo acqua oligominerale con basso residuo fisso; la temperatura dell'acqua di infusione varia secondo il tipo di tè, così come i tempi di infusione. Ogni tè viene preparato con cura, assaggiato e servito già filtrato, in modo che la bevanda non si alteri lasciando le foglie in infusione.

Il personale sarà lieto di assistervi e consigliarvi nella scelta del tè.
